

Woodchurch Annual Gala 2011 – Results swim21

Key: C = Club Challenge, P = Platinum, G = Gold, S = Silver, B = Bronze. - Badges can be ordered at front desk

Congratulations to Caitlin and Kiera Hanlon who both broke the Butterfly record in their age groups

A number of times below that appear to be exactly the same. This occurs when there is a close finish in a manually timed race, as stopwatch reaction times can vary. The place judges and referee have the final say and times are adjusted to match the finish. This is done by adding the times together and dividing by the number of swimmers involved. We have included times for swimmers who were disqualified to give an indication of their speed.
