### Information sheet

- All Dates and Galas can be entered on the one entry form and submitted to the club representative by the closing date for the first gala. This is the preferred method. A note of the events entered can be made on this information sheet for future reference.

Appropriate entry fees must accompany each entry form. If this method is used, it would be advisable to make or obtain sufficient copies of the entry form.
- Clubs will need to separate the entries into the correct Hytek gala files before submission
- Clubs closing date For Hytek entries:
  - Gala 1 – 16<sup>th</sup> September 2011
  - Gala 2 – 21<sup>st</sup> October 2011
  - Gala 3 – 18<sup>th</sup> November 2011
  - Gala 4 – 06<sup>th</sup> January 2012

The championships were created as a result of the policy by the ASA on age group competition. This means that District and County competitions (N.C, L&D and Cheshire's) require swimmers to compete in a range of events from different distances. There will be no recognition of individual event wins until 15 years for boys and 14 years for girls (i.e. 14 & 13 year olds this year). Details at [www.britishswimming.org](http://www.britishswimming.org). This is the competitive development continuum and is designed to ensure a more even development of swimmers through their formative years. This will require, in swimming terms, entry from best 50m, 100m, 200m 400m & either 800m or 1500m swims which relate to points and entry into various championships. This forms a category which is decided on total points awarded for times achieved (not placings) .
